of man, and drawing, not by force or argument, but by the invisible and yet resistless power of His Love, the sleeping spiritual senses of some members of the race. It was an entirely impersonal activity in which He engaged for many centuries, and neither He nor Those who worked with Him allowed themselves to designate any particular lifestream as a potential - giving the opportunity to respond equally to each soul.

As you know, the first two souls to so respond were the Beings presently known as the Lord Buddha and the Lord Maitreya; and so, from this small beginning, the Great White Brotherhood has grown in strength and numbers through the centuries until almost all of the Cosmic Guardians and Spiritual Protectors have had Their places filled by the dedicated men and women of the human race; and even the Office of Sanat Kumara will soon be assumed so that He, too, may return to His own Cosmic Home.

The Great White Brotherhood today works on the same premise and with the same powers of Magnetic Love and Impersonal Benediction, and the response of the spirit and the soul from within itself is the only passport into active membership.

Those who represent the Brotherhood in the world of men may take example from its Cosmic Founder and its members, and, becoming such a magnetic power of Love Divine, they will find drawn to them those whom the Father has called and who will remain, not because of personal allegiance, but because of the affinity of the soul light with the Spiritual Essence which is the Brotherhood's Nature in the Universe.

It has been found within the Wisdom of the Great Cosmic Law to draw the attention of mankind to the particular significance and cosmic import of Mount Meru in the evolution of our planet and its people.

Throughout all religions that have been the faucets through which to draw or dispense Cosmic Truths, reference has been made, again and again, to the 'Mystic Mount of Attainment' which represents the apex of spiritual evolution, both with regard to the individual and the race as well. This Mount of Attainment is one of the ancient Sanctuaries or Retreats in the heart of the Andes Mountains, and is presently the hope of the Ascended Brotherhood for as many members of the human race as have chosen to respond to the magnetic pull of the spiritual currents at this time.

When the Sun of our System delegated the power and authority to create a planet to the Elohim, the masculine and feminine aspects of the Elohimic Builders directed from Their hearts the two Rays which, joined together, formed the permanent atom for the Earth. For the purpose of illustration, the picture of the old-fashioned ice tongs, as used by Saint Germain, is practical; the prongs entering the Earth's surface - one on each side of the globe. The magnetic power within the Three-fold Flame then drew the Universal Life Substance into the cradle formed by these convex Rays. As the life and pattern of the parents flow into the form of the infant, so does the spiritual

design of the planet flow through these Rays from the Heart of the Elohim, and these form the most intense focus of Light for the planet Earth. The masculine Ray enters the Earth in Asia, in the neighborhood of Shamballa, and the feminine Ray at almost the exact opposite side, through Mount Meru, in the neighborhood of Lake Titicaca.

Both the oral and written expressions of Truth up to the present time are predominantly masculine in their expression, in their beauty, and in their presentation, with very few exceptions.

The Masculine Ray, focused in Asia, was the spiritual stimulus for all evolutionary progress of God-unfoldment, and It has been the magnet which has drawn the seeker for Life and Light into those Eastern Countries from the very beginning of unrecorded time. Each such an one entering within the aura of that Ray took some of Its vital essence into his own being, and in the course of centuries, thousands of lifestreams have ascended from within Its Sphere of Influence. This accounts for the fact that the East has always been the fount of Spiritual Knowledge, and the natural radiation of Tibet, China and India has been conducive to the unfoldment of any spiritual quality within the individual.

All the individuals who have attained the Ascension through the feminine aspect, such as Kwan Yin and Mary, the Mother of Jesus, were drawn within this Ray at Mount Meru, and received their inner training under the Brotherhood who have guarded this Ray until this hour.

Whereas the Masculine Ray has expanded its greatest powers and given the full stimulus of

its potency in the fullness of its gifts, the tremendous heritage of the Feminine Ray is only now beginning to be felt in its subtlety by the elect, who are more sensitive to the changing currents at inner levels, and their response, in their finer bodies, to the magnetic pull of its attainment in the control and sublimation of the feeling nature.

While the vibratory action of the Feminine aspect of Meru is yet such a subtle activity that it is not apparent to the outer consciousness of the students, it will increase in its irresistable force and be a tremendous assistance in the blanketing of the individual emotional nature as a Peace-Commanding Presence, which will enable them to much more easily become Master of their own feeling worlds.

Those who are conscious of the service of the God Meru, and of the service of the Ray which is focused within His Retreat, may mark the effect in their own feeling worlds if they direct their attention into the Sphere of Influence of this Retreat, particularly within this present thirty-day period (August 15 to September 14, 1952 inclusive).
